THIS IS WHAT 52 LOOKS LIKE...

Sales executive Narriman Peare is a mother of three and grandmother of two. She believes that it's not your age that counts but the way you use your life.

On growing older Growing older has never really bothered me. In fact, I always wanted to be older so that I could be like my mother - she's a real inspiration. I've also learned that the more you love yourself, the less you fear.

On handling stress My understanding and forgiving nature make it easy for me to deal with the stresses of everyday life.

On living healthily I enjoy going to the gym, hiking and exercising in the ocean. I also enjoy cooking and have always managed to eat healthily. But I have a real weakness for dessert!
